SUPPLEMENTAL REPLY

Despite a statement in the reply filed December 20, 2004, in the above-referenced matter to the effect that Applicants would submit a certified copy of the Swedish priority document SE 9703407-8, Applicants now note that no such copy is needed and so none will be submitted. The grandparent application U.S.S.N. 09/194,290 was filed as a U.S. National Phase application from PCT application PCT/SE98/01599, and thus a certified copy of the priority document (which is in English) is available through the World Intellectual Property Organization (WIPO). Furthermore, in the Office action dated August 18, 1999, in U.S.S.N. 09/194,290, Examiner Cook noted on the Form PTO-326 that all certified copies of priority documents had been received.

No fees are believed to be due. If this is incorrect, please apply charges or credits to Deposit Account 06-1050, referencing Attorney Docket No. 06275-150003.

Respectfully submitted,
